

INAUGURAL LECTURES of the IAS Focus Group “FUNDAMENTAL PHYSICS”

January 27th, 2010 | 14:30

Auditorium of Max-Planck Institute for Plasma Physics Garching | Boltzmannstr. 2

- 14.30 **Andrzej J. Buras**, Physics Department, TUM, "Grand View of the Focus Group: Fundamental Physics"
- 14.40 **Patrick Dewilde**, TUM-IAS, "The Institute for Advanced Study at TUM"
- 14.50 **Stefan Pokorski** (Warsaw University), "A Turning Point in the Physics of Elementary Interactions"
- 15.35 **Gino Isidori** (Frascati, INFN), "The Flavour Puzzle"
- 16.20 Break
- 16.45 **Martin Gorbahn**, Excellence Cluster-Universe (Munich), "Beauty, Strangeness and Precision: Tests of Elementary Interactions"
- 17.10 **Stefania Gori**, Physics Department, TUM, "Quark Flavours in Five Dimensions"
- 17.25 **David Straub**, Physics Department, TUM, "Probing Supersymmetry in Rare Decays"
- 17.40 **Andrzej Buras**, "Closing Remarks and Discussion"
- 18.00 Reception (Brotzeit)
